In the morning, I wake up and get ready for school.

I get dressed and eat some breakfast.

I brush my teeth and comb my hair.

**My _____
brings me to Franklin
Community Preschool.**

**We wait outside with my
friends.**

**One of my teachers opens the door to let us all
into the preschool.**

**I take off my coat, change into my inside shoes,
wash my hands and give a goodbye hug to**

_____.

I sit down at the welcome circle.

**We sing songs as
we wait for
everyone to find
their place.**

After we sing our hello song, my teacher tells us about the activities set up in the classroom.

There are many areas to play in:

- **water table**
- **art table**
- **art easel**
- **carpet area (blocks)**
- **puzzle and table-top toys**
- **book corner**
- **fish tank**
- **dramatic play area**
- **writing corner**
- **and many more area's**

When the teacher calls my name I bring my mat to her and I can go and play.

I listen and wait to hear the teacher call my name.

If I get hungry during preschool, I can go wash my hands and get my snack.

I sit at the snack table when I eat.

When I am finished, I pack up my snack things and put them back in my cubby.

Now I can play again.

My teachers sing a five minute warning song when it is time to clean up the toys.

That means we have five more minutes left to play.

Clean up time! We all clean up the toys together.

Often, we get to play outside, in the gym, or in the lunchroom at the big school.

Now it is time to meet at the carpet.

We find the mat with our names on it and sit on our special spot.

We sing songs, listen to stories, and share our ideas at circle time.

**The time has
come to go home.**

**We sing the
'Good-bye Train'
song.**

**One of my teachers stands at the door to let all
the mummies, daddies, nannies, grandpas and
grandmas in.**

I sit and wait until my teacher calls my name.

**I give my mat to my teacher
and I go see _____
who picks me up from
preschool.**

What a fun day!
